

HOMECARE ICU

Intensive Clinician Understanding

A Four-part Audio Conference Series

Homecare clinicians suffer from a variety of maladies – incomplete knowledge, misinformation, and myths. Symptoms of this condition include: denials, survey citations, and care delivery mistakes or omissions.

The treatment: *Homecare ICU*[™] – an intensive look at problematic, confusing topics.

Sessions in this **NEW SERIES** provide your homecare clinicians with intensive training on:

- Writing frequencies for clarity & compliance
- SCIC adjustments and your bottom-line
- Diagnosing and documenting wounds
- Treatment of therapy services under the PPS

PLUS:

- Earn continuing education credits for each session

...All this and much more in just one hour a month!

Mastering Frequencies

Dates/Times:

Tuesday, November 9, 2004

– AND REPEATED LIVE –

Thursday, November 18, 2004

1:00 - 2:00 PM Central Time

Each session is 60 minutes in length

Description:

Homecare providers face survey citations and denials of payment when they fail to provide services according to the plan of care. One major cause: unclear or poorly written frequencies. This conference will discuss common misunderstandings and show you how to write frequencies for clarity and compliance.

Participants will get an

INTENSIVE CLINICIAN UNDERSTANDING of

Visit Frequencies, including:

- A formulary for frequencies
- Scheduling and tracking visits – weekly, monthly, every other week/month, etc.
- The impact of ranges, PRN, and missed visits on compliance
- Handling an increase/decrease in visits or on-hold status
- Frequency complications and problems
... plus much more!

Continuing education by the Wisconsin Nurses Association Continuing Education Provider by the American Nurses Credentialing Center's Commission on Accreditation, California Board of Registered Nursing, Provider Number 10606 for 1.2 contact hours, Provider Number 2075 for 1.0 contact hours.

The SCIC-ness and Medicare Math

Dates/Times:

Tuesday, December 7, 2004

– AND REPEATED LIVE –

Thursday, December 16, 2004

1:00 - 2:00 PM Central Time

Each session is 60 minutes in length

Description:

The SCIC adjustment continues to cause many providers to lose money unnecessarily. We'll show you the subtle ways it happens and how to avoid — even recover — lost dollars! Plus, you'll learn Medicare Math, for counting days and determining dates for OASIS and other confusing compliance pitfalls. This session is sure to improve your bottom line.

Participants will get an

INTENSIVE CLINICIAN UNDERSTANDING of the SCIC, including:

- Why agencies are losing money
- Fact and fiction about SCICs
- Procedural guidance
... plus much more!

Session BONUS:

Medicare Math — counting 14 days for aide supervision, M0175, and previous status; dates for SOC visit, first visits by other disciplines, comprehensive assessments, and more time frame issues.

Brought to you by:

Who should participate?

- ✓ Homecare Administrators and Directors
 - ✓ Clinical Managers, Educators
 - ✓ Quality Managers
 - ✓ Homecare Nurses
- ... or invite your entire staff!

Use these sessions:

- ✓ for monthly in-services
- ✓ to update your staff, and
- ✓ to keep your entire staff focused on your agency's success.

About Beacon Health

» Most accurate information

Beacon Health is recognized for consistently clear, concise, and accurate guidance. Since we understand that even the smallest error can be detrimental to your agency, we pay special attention to detail and thoroughly research and reference everything. This ensures you receive error-free information you can trust ... every time.

» Most current information

With national experts on staff, Beacon Health has the unique ability to review, dissect, and analyze all the latest regulations and news immediately. Every teleconference begins with an update and analysis of important news and events.

» Most detailed information

Every product and service from Beacon Health saves you valuable time and money by providing you with more — more description, more organized content, more easy-to-follow steps, more analysis. Thus, you know you're getting the most for your educational dollar with Beacon Health.
